

Section III. REMARKS

The specification has been amended herein to claim the benefit of priority of International Patent Application No. PCT/EP2004/009101 filed August 12, 2004, which in turn claims priority of Great Britain Patent Application No. 0319174.9 filed August 15, 2003. In addition, the claims have been amended to remove multiple claim dependency therein and otherwise to place the claims in form for examination. No new matter (35 USC 132) has been added.

It is requested that examination and prosecution of this application proceed on the basis of the specification and claims 1-8, 10-11, 13, 21-24, and 26-33 in the application, as amended hereinabove.

Respectfully submitted,

Steven J. Hultquist
